Putting non-communicable diseases
on the global agenda

CALLING ALL NGOs!

FROM ADVOCACY TO ACTION NCD Alliance NGO Briefing for the UN High Level Meeting on NCDs

The UN High Level Meeting (HLM) on NCDs has been described as a once-in-a-generation opportunity to put NCDs on the global agenda. However, after the HLM has closed, the landscape will not change overnight.

NGOs need to continue their advocacy to ensure that governments meet their commitments to combat this serious threat to health and development.

Join us to discuss how we all can ensure that the Outcomes Document translates into action.
