[1]
Every person—no matter who they are or where they live—should be able to get the quality health services they need without facing financial hardship. Three months after the historic UN High-Level Meeting on Universal Health Coverage, join us on 12 December to tell leaders to **Keep the Promise of health for all**.

The first step is to make sure people know and understand what promises were made, and encourage everyone to do their part to hold leaders, countries and ourselves accountable.

Three ways you can get ready and get involved:

- **Unpack the political declaration** using the new Key Targets, Actions & Commitments [2] document, which summarizes the most important promises that leaders made, in line with the Key Asks
- **Tell your leaders to Keep the Promise** using the campaign toolkit [3], which for the first time this year includes **country-specific tweets and graphics**
- **Show your solidarity with the UHC movement** by proudly displaying the UHC umbrella [4] brand. Be sure to share photos on social media and tag @UHC2030, @CSOs4UHC or @UHC_Day so we can amplify your efforts!

Access more resources at **UHCDay.org** [5].
