
ADI, IDF and NCDA Submissions to the WHO Consultation on the draft Global Mental Health Action Plan

At this year's WHA, the WHO was tasked to begin consultations on the development of Global Mental Health Action from 2013-2020.

They developed a 'zero draft' and invited Member States, other organizations and associates to comment by October 19th. NCDA submitted comments highlighting the links between mental health and NCDs and the need for a comprehensive approach to each.

Below are links to ADI, IDF and NCDA submissions to WHO:
