## **Nuestros socios**

Idioma Español

El Grupo de Apoyo de la Alianza de ENT actualmente incluye cuatro federaciones fundadoras, 12 socios de ONGs, 5 socios corporativos y dos fundaciones.

Nuestros socios son compañías visionarias, fundaciones, academia y organizaciones no gubernamentales que se proponen liderar la lucha contra las ENT y con quienes compartimos el interés en fortalecer los procesos de incidencia globales y las plataformas para un compromiso mayor con la comunidad global de las ENT.
