**About the Alliance MNT Bénin**

Founded in 2018, Alliance MNT Bénin is a national NCD alliance registered as a non-profit organisation and based in Cotonou, Benin.

The Alliance's strategy is focused on awareness raising activities, implementation of early detection programmes, capacity building activities for different actors and advocacy efforts towards authorities.

In this regard, the Alliance works in collaboration with state institutions, in particular for the national programme to combat NCDs of the Ministry of Health.
