The 2018 UN High-Level Meeting on NCDs (UN HLM) provided a crucial opportunity to mobilise political leadership and new resources and action to improve the lives of people affected by NCDs worldwide. This page collects key resources developed by NCDA in 2018 to support NCD advocates in their efforts relating to the third High-Level Meeting on NCDs. Elements within it provide an overview of the HLM, including the background for the meeting, and presents the NCD Alliance modality and campaign priorities to help mobilise the NCD community & guide advocacy at global, regional and national level for strong engagement and commitments at the UN HLM.
