### 8th Global Forum on Health Promotion

**Wednesday 14 November 2018, 09:00 - 17:00, Geneva Switzerland**

Organised by the [Alliance for Health Promotion](#) [1] and the Global Health Centre in collaboration with the World Health Organization, and aims to create awareness about the impact different Health Promotion strategies can have in shaping health policies to effectively prevent and control NCDs. The forum will showcase new and innovative approaches based on emerging research and experiences of grassroots project implementers. It is a platform intended for everyone involved in promoting healthy lives to share experiences, learn from one another and to build understanding of best practices.

The opening remarks will be given by World Health Organization (WHO) Director-General Dr Tedros Adhanom Ghebreyesus, and will be followed by a high level panel. Technical workshops conducted in the afternoon will include topics on Health Promotion in Communities, NCDs and Health literacy and Evidence based Health promotion strategies to fight NCDs.
