Tuesday, 23rd May 2023, 18:00 – 19:30 CEST followed by a reception. La Pastorale (Geneva) with virtual participation

This event will convene governments and global thought leaders to discuss what the expansion of the NCD ‘best buys’ and their investment case means for national NCD prevention and control, and why it is important that these menu of policy options is regularly updated, together with the provision of guidance on how to best prioritise these measures.
