
10 Anniversary of the WHO Framework Convention for Tobacco Control

**WHO
FCTC**

High level of ratification

Low level of full implementation

The WHO Framework Convention on Tobacco Control is a legally binding agreement for cost-effective tobacco control.

What have the 53 countries in the WHO European Region done?

On 27 February 2015 the WHO Framework Convention on Tobacco Control (WHO FCTC) celebrates 10 years since its entry into force.

Besides being a celebration among the 180 global parties, this is also an occasion for recommitment as fighting tobacco calls for political courage and strong leaders to adopt effective policies.
