Director of NCDA focuses on NCDs at The European Health Forum

Published on NCD Alliance (<https://ncdalliance.org>)

Judith Watt, the Director of NCDA, attended the European Health Forum Group highlighting the current NCD epidemic.

The Health Forum focuses on the health care policy in the EU and it has the most the influence in policy recommendations. It attracts more more than 600 decision-makers from 45 countries to discuss the future of the European health system
