
Less than 1 month remains to make your voice heard

The countdown has begun to the 3rd UN High-Level Meeting on NCDs. It's time to get really, really busy. Here are a few suggestions:

- Plan something locally for the [Global Week for Action on NCDs](#) [1] (3-9 September), then share it globally;
- Become, or nominate, an [NCD Champion](#) [2], someone who will lend their name and face to this growing global movement;
- Add your own **voice** and /or make a **pledge** about what you will do to address NCDs, [via the ENOUGH website](#) [3];
- Double down on your advocacy efforts, including pressing Heads of State to attend and make bold commitments at the HLM;
- Watch, and share the news, when the following are launched in September (dates tentative, [check our side event calendar for updates](#) [4]):

Week of 10 September

- WHO Global Status Report on Alcohol

17-21 September

- WHO NCD Country Profiles
- WHO Global Status Report on TB
- NCD Countdown 2030 (focused on NCD mortality trends).

23-28 September

- Tobacco Free Finance Pledge launch
- SDG Gender Index Pilot framework - Equal Measures 2030
- Young People's Agenda - UNICEF
- Alcohol control SAFER launch
- Lancet Commission on Global Mental Health
