
NCD Alliance speaks at UN Civil Society Hearing on Post-2015

The World Lung Foundation ([WLF](#) [1]) spoke on behalf of the NCD Alliance at the UN civil society hearing on post-2015, held on 26 May in New York. Sandra Mullin, Senior VP of Policy, Advocacy and Communication at WLF called Member States to ensure strong references to health for all at all ages, including mental health and wellbeing, in all parts of the post-2015 agenda. A transcript of the speech can be found [here](#) [2].
