
Pacific Partnership on NCDs supported by Forum Leaders

The 45th Summit of the Pacific Islands Forum in Palau from concluded on 1st August. During this summit a Forum Communiqué was adopted, with very positive implications for the NCD Response in the Pacific Region, and a key milestone in a longer term developing recognition of NCDs in the Region.

Leaders committed to support the Pacific Partnership for a Multi-sector Approach to Prevent and Control NCDs to be launched at the Third Conference on Small Island Developing States in Samoa in September.
