

Strengthening multisectoral partnerships in the Caribbean

© Healthy Caribbean Coalition, 2017

On Friday Feb 17, over 50 stakeholders met in Antigua and Barbuda for a one and a half day meeting to discuss NCD advocacy, accountability and conflict of Interest (COI) in the Caribbean.

The meeting hosted by the Healthy Caribbean Coalition in partnership with the Antigua & Barbuda Ministry of Health and the Environment, had participants hailing from 11 Caribbean territories and representing all sectors of society including NCD NGOs, non health NGOs, medical associations, service clubs, private sector, academia, governments, and regional public health institutions.
