
Tobacco Control Paper:“WHO Framework Convention on Tobacco Control and the United Nations High Level Meeting on Noncommunicable Diseases: Progress and Global Expectations”

Tobacco Control groups from different regions have recently published a joint paper in *Global Heart* titled “*WHO Framework Convention on Tobacco Control and the United Nations High Level Meeting on Noncommunicable Diseases: Progress and Global Expectations*”

The paper explores the implications and identifies the opportunities of the UN High Level Summit on Noncommunicable Diseases for the implementation of the WHO FCTC from a multi-regional perspective.
