US Congress hears testimony on NCDs

Language English

Washington, D.C. – In partnership with The NCD Alliance and as a representative of the Non-Communicable Disease (NCD) Roundtable, LIVESTRONG Foundation Director of Health Policy, Loyce Pace Bass, MPH, testified today on Capitol Hill in favor of sustained U.S. funding to combat the growing threat from non-communicable diseases.

Download the testimony here (via the NCD Roundtable website) [1]
