
WHO Global Coordination Mechanism for NCDs: New report available online

Various information documents on the first meeting of the two GCM/NCD Working Groups have now been added to the [GCM/NCD website](#) [1], including detailed summary reports, list of attendees and presentations delivered at the meetings. To access the documents, click [here](#) [2].

The next working group meetings will be held 6-7 May (Financing) and 17-18 June (Private Sector Engagement) and both will include presentations from a small number of private sector and NGO representatives (by invitation). The meetings are expected to be webcast.

On 20-21 April the GCM/NCD Secretariat will hold a Dialogue on NCDs and Development Cooperation at WHO Headquarters in Geneva. The dialogue will feature presentations by prominent keynote speakers, followed by panel interventions, and plenary debates and aims to engage key actors from the health and development sectors.
