

## Building and sustaining civil society coalitions for effective NCD advocacy

Building and sustaining civil society coalitions for effective NCD advocacy

Language English

The main objective of this training is to develop and strengthen the skills and knowledge of advocates and NCD alliances in coalition building to achieve advocacy goals and objectives. The training will leverage existing Advocacy Institute resources regarding building effective alliances as well as strategic advocacy planning. The training will allow for fruitful experience sharing between participants navigating within different national and regional contexts.

*The NCD Alliance Advocacy Institute's Seed Programme trainings in 2023 are for selected member alliances on the Seed programme to help them strengthen their activities and coalition building efforts in the NCD space. They are also open to NCD Alliance member organisations and alliances as a benefit to support their advocacy and capacity development efforts. If you are not already a member or NGO supporter of NCD Alliance, and would like to learn more about the benefits of being one, you can [learn more here](#) [3] or directly [apply here](#) [4].*
