Extended Description:

This practical guide aims to support community advocacy on NCDs, translating into practice the concept of health equity.

The OBJECTIVES of this practical guide are to support NCD advocates to:

- Conduct a detailed assessment of the state of health equity on NCDs engaging with communities, people living with NCDs and key stakeholders.
- Produce an NCD Equity Report using the assessment findings with clear policy recommendations.
- Develop evidence-based advocacy strategies informed by the NCD Equity Report.

Published on NCD Alliance (<https://ncdalliance.org>)

It is envisaged that this practical guide and the development of NCD Equity Reports will be put into action using a strong access lens, zooming in on how health services are serving communities, and how care can be improved for the most vulnerable and marginalised. It is accompanied by the [NCD Health Equity Conceptual Framework](#) [2].
