**Extended Description:**

In the run-up to the World Health Assembly (WHA76), taking place in Geneva from 21 to 30 May 2023, the NCD Alliance recorded a special webinar to help its members and partners stay on top of NCD-related agenda items during this meeting of decision-makers. Alongside NCD-specific items, the NCD Advocacy Special elaborates on the broader WHA76 agenda discussion, including social determinants of health and Universal Health Coverage and the diagnostics resolution. Finally, this webinar speaks about other advocacy opportunities and priorities in the lead-up to the High-Level Meeting on UHC which will take place in New York in September 2023.
