The NCD Alliance team is responsible for operationalising the NCD Alliance's Strategic Plan, including the day-to-day campaign management, coordinating the activities of our network, and external relations to promote our work. The NCD Alliance team can be contacted via the Contact Us link at the bottom of this website or hyperlinked to the image on this page.
London
Katie Dain, Chief Executive Officer

Katie Dain is Chief Executive Officer of the NCD Alliance, a global network of civil society organisations dedicated to transforming the fight against non-communicable diseases (NCDs). Katie has worked with the NCD Alliance since its founding in 2009. Katie is widely recognised as a leading advocate and expert on NCDs. Katie co-chairs the WHO Civil Society Working Group on NCDs, and has served as a commissioner on the WHO Independent High-Level Commission on NCDs, The Lancet Commission on NCDs of the Poorest Billion, The Lancet Commission on Global Oral Health, and The Rockefeller-Boston University Commission on Health Determinants, Data and Decision-making (3-D Commission). Katie is also a member of the Steering Committee for the Coalition for Access to NCD Medicines and Products. Her experience covers a range of sustainable development issues, including global health, gender equality and women’s empowerment, violence against women, and women’s health. Before joining the NCD Alliance, she held a series of policy and advocacy posts in international NGOs and government, including the International Diabetes Federation (IDF) in Brussels, leading their global policy and advocacy programme; the UK Government as a gender policy adviser; Womankind Worldwide, a women’s rights organisation; and the Terrence Higgins Trust (THT), a HIV and sexual health charity. She has a BA in History from Sheffield University, and a Master’s degree in Violence, Conflict and International Development from the School of Oriental and African Studies (SOAS), London.

Dr Cristina Parsons Perez is the Capacity Development Director for the NCD Alliance where she is responsible for initiatives supporting national and regional civil society to drive improvements in NCD prevention and control. She oversees the Global NCD Alliance Forum and efforts to meaningfully involve people living with NCDs in the NCD response. Cristina has over 10 years of health advocacy and capacity development experience. She consulted with Catalyst Consulting Group on advocacy capacity building and was involved in the conceptualizing and roll-out of United Patients Academy – a digital training platform for health NGOs. Cristina worked at the American Cancer Society’s Global Health Department where she was Director of Advocacy and helped lead efforts targeting the 2011 UN High level Meeting on NCDs. She supported the establishing of the Latin American advocacy coalition for women’s cancers (ULACCAM) and oversaw multi-million multi-country capacity development initiatives to strengthen the cancer movement in the Latin American region. She worked as a Senior Policy and Information Officer at Breakthrough Breast Cancer UK (Breast Cancer NOW) where she managed grassroots advocates and developed policies to support campaigning efforts. She has a PhD in gene therapy and her mother tongues are Portuguese, Spanish and English.

Lucinda Westerman, Policy and Campaigns Manager

Lucy specialises in NCD prevention and health promotion, particularly looking at social, commercial and environmental determinants of health, and leads NCDA’s prevention policy and advocacy work-stream, with particular focus on alcohol control, physical activity, nutrition and cross-risk factor issues and collaboration. Lucy also works across the team to develop and co-ordinate delivery and promotion of NCDA’s global communications and advocacy campaigns, bridging the work of the advocacy and communications teams. She holds a Master of Public Health from the University of Melbourne, and degrees in nutrition, social sciences and health promotion. Upon joining NCDA in 2015, Lucy had held leadership and strategic advisory positions in government, child wellbeing and education organisations, including responsibility for coordinating and leading public health information and advocacy campaigns at scale, and in advisory roles on health policy issues such as obesity prevention and alcohol marketing to children.

Manjusha Chatterjee, Capacity Development Manager

Manjusha specialises in tobacco prevention and health promotion, with particular interest in research communication and multi-stakeholder advocacy. She holds a Master in Global Politics from the London School of Economics and past degrees in conflict transformation and journalism. Her first job was as a reporter with Thomson Reuters in New Delhi. Manjusha has worked with leading health CSOs in India, including the Public Health Foundation of India and HRIDAY, where she led large-scale NCD advocacy and media campaigns, coordinated global youth engagement projects, conducted grassroots training and developed public information and capacity building resources on tobacco and alcohol control, physical activity and diabetes prevention. Manjusha has also worked extensively with national-level NCD coalitions and alliances in India such as the Healthy India Alliance and the Advocacy Forum for Tobacco Control. She currently supports the NCD Alliance’s capacity development activities including the Global NCD Alliance Forum and the Our Views, Our Voices initiative.
Jacqueline Romoff, Executive Assistant

Jacqueline Romoff is Executive Assistant to the NCD Alliance CEO, Senior Management Team and Board, supporting day-to-day activities and governance of NCDA’s global operations. She has over 30 years organisational and management experience in the public and private sectors having worked in multi-national and multi-cultural environments worldwide. She has also been responsible for the top-to-bottom organisation and delivery of events including the first two Global NCD Alliance Forums in Sharjah, UAE. Her experience spans Executive Boards, development agencies including the World Bank, International Monetary Fund (IMF), Department for International Development (DFID UK), and African Development Bank (AfDB), multilateral agencies, civil society, British and Middle Eastern royalty and dignitaries, embassies, high commissions and high level government officials including prime ministers and health and finance ministers throughout Africa, Middle East and the Caribbean.

Radhika Poojara, Digital Communications Officer

Radhika Poojara joined the London team of NCD Alliance in March 2020 as Digital Communications Officer. Her role is to support the delivery of NCD Alliance’s digital communications strategy, provide content support for NCD Alliance’s website, social media and email marketing platforms. Before joining NCD Alliance, Radhika worked in the public and private sector providing communications and marketing support for After the flood, the bi-annual World Humanitarian Action Forum at The Humanitarian Forum, London and the humanitarian team at Save the Children UK. She has also worked as a consultant for the World Intellectual Property Organization (WIPO) in Geneva providing communications and project support. Radhika holds a B.A. in International Politics and a postgraduate degree in Conflict, Security and Development from King’s College London.

Connect with Radhika: LinkedIn [8]
Linda Markova, Capacity Development Officer

Linda works as a part of the Capacity Development team, supporting the roll out of the flagship Advocacy Institute, responsible for grant administration duties, monitoring of local conditions and opportunities and collecting M&E data. She supports the Advocacy Institute training programmes and the development of capacity development research and knowledge products. Linda is experienced in providing analytical, project management and advocacy support to teams across multiple settings including NGOs, private entities, and public institutions with particular interest in health systems strengthening, access and UHC agendas. Before joining NCDA, Linda collaborated with People’s Health Movement as a part of the WHO Watch Team and worked at a health technology company performing data and policy analysis on the NHS. Linda holds a BSc in Global Health from Queen Mary’s University London and a MSc in Health Policy Planning and Finance from LSHTM and LSE.

Connect with Linda: LinkedIn [9]
Katrina Barker, Public Engagement Officer

Katrina joined the NCD Alliance in April 2021 as a Public Engagement Officer, to support capacity development activities including the Our Views, Our Voices initiative, and work with National NCD Alliances to establish national advocacy agendas for people living with NCDs. She has experience in policy, research and global health, having most recently worked on international policy projects with the UK Foreign, Commonwealth and Development Office (FCDO) and the European and Development Countries Clinical Trials Partnership (EDCTP) prior to joining NCDA. She also worked in Jordan at a policy think tank, and subsequently within public health at the King Hussein Cancer Foundation (KHCF), where she focused on international fundraising, advocacy and strategic planning. Katrina holds a B.A. in Political Science from New York University, and a Master of Public Administration degree in Science, Technology, Engineering and Public Policy from UCL.

Geneva
Nina Renshaw, Policy and Advocacy Director

Nina joined the NCD Alliance in July 2018 and is responsible for leading, developing, implementing and managing NCDA’s global policy and advocacy work. Nina has over twelve years of international policy and advocacy experience in diverse fields including environment, transport, industrial policy, taxation and health. She started her career in the private sector in travel and logistics, and gained public sector experience at the European Commission’s Energy and Transport Directorate. Prior to joining the NCD Alliance she was based in Brussels, as Secretary-General of the European Public Health Alliance (EPHA) and previously as Deputy Director of the campaign group Transport & Environment. She studied International Business with Modern Languages (German and French) at Aston University, UK and has a Master’s degree in Contemporary European Politics and Policy from Humboldt University, Berlin and the University of Bath, UK, writing her thesis on the role of civil society in policy-making. She has served as a board member of several NGOs, including the Health and Environment Alliance (HEAL), the European Citizens’ Organisation for Standardisation (ECOS), and Green Budget Europe, and has represented civil society on advisory groups to the UNECE, WHO, OECD and to the European Commission on international trade, better regulation, and the Sustainable Development Goals.

Tiphaine Lagarde, Partnerships and Memberships Manager

Tiphaine’s role involves managing NCD Alliance’s strategic engagement and partnerships with corporate, foundations and NGOs; developing NCDA’s membership engagement and acquisition plans; as well as implementing its business development strategy and developing prospective partnerships. Prior to joining the NCD Alliance, she worked at Sanofi’s International Public Affairs Department, where she managed Sanofi’s global engagement with UN agencies and trade associations in Geneva, provided strategic and technical guidance to affiliates in emerging countries for approaches to advocacy and public policy, and developed strategic partnerships. She has a Master in Public Affairs & Healthcare Administration from Sciences Po Paris and a Master in Healthcare Products & Industry Law from Sorbonne Paris Cité University.

Connect with Tiphaine: LinkedIn Email Tiphaine about partnerships

Liz Arnanz, Senior Partnerships and Membership Officer

Liz works on the NCD Alliance’s engagement with members. She supports the implementation of a new membership policy that aims at increasing the benefits, interaction and engagement of partners and members with NCDA activities. Before joining the NCDA, she worked at the International Association of Professionals in Humanitarian Assistance and Protection, coordinating key partnerships and the organisation of online events. She also has experience in the area of inter-institutional relations with the European Commission at DG ECHO (Humanitarian Aid and Civil Protection) and in event management with the United Nations Population Fund. She is an International Relations and Translation graduate and holds a Master’s degree from the College of Europe.

Connect with Liz: LinkedIn Email Liz about membership
Tolulope Osigbesan, Advocacy and Partnerships Officer

Tolu joined the team in Geneva in 2019 to further develop NCD Alliance’s strategic relations with WHO, United Nations agencies and member state missions. She is also supporting development of NCDA membership and partnerships across civil society, private sector and academia. Before joining the NCDA, she worked in both the public and private health sectors in Nigeria. Her most recent role was with the secretariat of United Nations Interagency Taskforce for Noncommunicable Diseases (UNIATF). Tolu is a Pharmacist by training and is working towards a Masters degree in Public Health from the London School of Hygiene and Tropical Medicine.

Connect with Tolu: @TOsigbesan [16] | LinkedIn [17]
Romain Dissard, Partnerships and Membership Officer

Romain joined the Geneva team of NCD Alliance in January 2019 as Partnership and Member Officer. His role is to support the development, growth and engagement of NCDA’s membership. Before joining the NCDA, he worked in academia leading medical research projects on kidney diseases and metabolic disorders at the Universities of Toulouse, Glasgow and Geneva. Romain holds a Master of Science in Health Biology and a PhD in Pharmacological innovations from University Paul Sabatier in Toulouse, France.
